

# Tile Hill **Approved** Umbrella Companies

From 6 April 2026, new UK legislation will fundamentally change how PAYE compliance failures involving umbrella companies are managed within the recruitment sector. The legislation introduces joint and several liability for unpaid PAYE, National Insurance, and Apprenticeship Levy, meaning recruitment agencies can be held financially responsible where an umbrella provider fails to meet its statutory obligations.

As a result, Tile Hill will only engage with umbrella companies that meet the standards of our Approved Supplier List (ASL). These providers must demonstrate high standards of compliance and customer service, and align with our commitment to delivering a clear, professional, and positive onboarding experience for contractors.
